

## Engineering Tutor/ Lecturer

SIGTA, a Group Training Association based in Portslade East Sussex, are looking for an enthusiastic and experienced Engineering Tutor to deliver off-the-job training to apprentices and other employed individuals. Opportunities exist for full or part time employment.

The successful candidate must have:

- A full teaching qualification.
- A good level of general education and qualification passes.
- A minimum level 4 qualification in engineering.
- Relevant teaching experience. (Ideally in the delivery of BTEC L3 & 4 Diplomas in Engineering or similar courses, including mechanical and electrical/electronic subjects.)
- Engineering industry experience.
- An assessor qualification or willingness to obtain one.
- An internal quality assurance (IQA) qualification or willingness to obtain one.
- A commitment to equality and diversity in education.
- A good understanding of responsibilities in relation to safeguarding and Prevent, including a willingness to undertake periodic refresher training.
- Effective ICT skills.
- The commitment to actively engage in continuous professional development.
- The willingness and ability to travel and work from different locations in Sussex and Surrey.

In return, SIGTA are offering a competitive salary, generous annual leave package, non-contributory pension, private health and life insurance and paid travel expenses to and from customer sites.

To apply for this position, please send your CV and covering letter to Mrs A. Foxwell, Chief executive, SIGTA Limited. Email: [afoxwell@sigta.co.uk](mailto:afoxwell@sigta.co.uk)

Closing date for applications: 31.07.2022
