- Electrical Systems Build (Communications) - Lewes
- Machinist Technicians - Hastings
- Electronic Systems Build - Henfield
- HV Engineering Technicians - Pulborough
- Forklift Truck Build - Shoreham
- Healthcare Engineering Technician - Eastbourne (NHS)
- Machining Technicians - St Leonards
- Switchgear Electrical Systems - Hove
- Business Administration - Hastings
- Engineering Technicians - Crowborough
- Systems/Plant Maintenance - Hastings
- Computer Aided Design - Eastbourne
- Machining Technician - Hailsham

*Circle back to our vacancies page regularly
New apprenticeships throughout the year*

Planning a careers event?
Get in touch and we will be delighted to attend.

You will find full info on the schools page of our website.

**TO BECOME AN
APPRENTICE
WE USUALLY NEED
GCSE
GRADE 4
IN FIVE SUBJECTS
INCLUDING
MATHS & ENGLISH**

What will I earn?

Salaries vary from role to role but wages are averaging around £310 a week. We have some apprentices starting on over £400 a week!

Will I go to college?

All of our technical courses include college day-release which could be with a local college or with us here at SIGTA in our centres in Portslade or Eastbourne.

Want to see some of the SIGTA companies we recruit apprentices for? Click on the Brighton i360 - they are one of ours too!
