Apprenticeships for 2025

Our Ofsted

We are delighted to share some exciting news following our summer Ofsted inspection. We achieved an overall Grade 2 Good, with an Outstanding grade for Behaviours and Attitudes.

Apprenticeships this year

It's been busy! We have placed apprentices with companies and organisation across Sussex. Here's a few...

- NHS - healthcare technician (electronics)
- CAE - flight simulator technicians
- Hanover Displays (digital electronics) - engineering fitter
- TE Connectivity - Computer Aided Design
- Switchgear Technology (electrical systems) - engineering fitter
- Technoturn - machining technicians
- CAE - business administrator
- Pyroban - engineering technicians
- Alfa Laval - engineering fitters
- Tesla Engineering - engineering technician

Planning a careers event?

Get in touch and we will be delighted to come along. Daytime or evening, we are happy to attend. Contact David Underwood who will bring our display stand and resources for your students.
[email david@sigta.co.uk](mailto:david@sigta.co.uk)

You will need GCSEs:

- English grade 4 and above
 - Maths grade 4 and above
- and three others - Science or ICT is useful for technical apprenticeships.

Why an apprenticeship?

You will

- get well paid to learn
- gain professional qualifications
- kickstart your career
- learn from experts
- get real career progression
- support from SIGTA throughout and no student debt to pay off!
